THE ART OF WELL-BEING HISTORY

In 2003, First UMC Parish Nurse Susan Latham founded The Art of Well-Being stemming from her belief that art can significantly impact the health and well-being of both the artist and the viewer.

It was originally part of an entire Week of Well-Being at First UMC which incorporated other health-themed events. She asked Jule McClellan, as an artist and arts organizer, to chair the art exhibition, and she has done so every year since.
